

# Focus on Finishing: Glues and Adhesives

## PLANATOL GLUES AND ADHESIVES

Total PFS is now able to offer to the UK market an extensive range of bookbinding glues, including dispersion glues for padding and form-set gluing as well as hot melt and rapid-set cold adhesives for perfect binding.

**Total PFS can supply adhesives and glues for the following processes:**

- Bookbinding
- Banderoling
- Handicrafts
- Padding
- Manual case-making
- Casing-in of book blocks in hard covers
- Casing-in of thread-stitched book blocks to brochures
- Spine-taping
- Perfect-binding
- Hot melt
- Restoration
- End papering and sheet gluing
- Repairing

**Planatol's extensive research and development laboratories are also able to develop bespoke glues and adhesives for specific or unique applications. Please contact Total PFS to discuss your requirements.**

**Call Total PFS on 01934 645050 or email: [sales@totalpfs.co.uk](mailto:sales@totalpfs.co.uk) to discuss your requirements or receive further information on the Planatol range of glues and hot melts.**
